The CARMANIAN

EDITION: 35 VOL.: II JULY 2025 – MARCH 2026

From the Principal's Desk

Dear Parents, Students and Well- Wishers,

As we progress through the Academic year, I wish to take this opportunity to reflect with pride on the collective efforts of our school community. A school is not merely a place of instruction; it is where young minds are shaped, values are strengthened and confidence is matured every day.

Over the past months, our students have shown commendable enthusiasm in academics as well as co-curricular activities. Their curiosity, discipline and resilience continue to inspire us to create learning experiences that go beyond text books and prepare them for the evolving world.

I am pleased to share that, keeping in mind students' interests and emerging career pathways, the school is actively exploring introduction of additional subject options like Applied Maths and Entrepreneurship in Class XI in the coming academic session. This initiative reflects our commitment to offering broader academic choices and equipping our students with relevant knowledge and skills for higher education and future careers.

I extend my heartfelt appreciation to our teachers for their dedication and to our parents for their constant support and trust. When school and home work in partnership, our students thrive not only academically but also as confident, responsible and compassionate individuals.

As we look ahead, let us continue to encourage our children to dream big, work diligently and uphold the values that define our institution.

Warm regards,

S. Mann

Inter-Class Story Telling Competition

A Celebration of Expression and Imagination

Words wove magic and stories danced through the air as the Emmanuel Block reverberated with creativity, confidence, and charisma during the Inter-Class Story Telling Competition held on 26th July 2025. The event was not merely a display of narration—it was a grand celebration of imagination, eloquence, and theatrical flair.

Each class was mentored under the literary inspiration of legendary authors, reflecting the tone and style of their assigned luminaries. The competition featured young orators from Classes V to VII, each brimming with enthusiasm and a flair for storytelling.

Each class was inspired by a renowned Indian author whose work reflects depth, emotion, and cultural richness. Classes VA and VB drew inspiration from Sudha Murthy, known for her simple yet powerful stories rooted in Indian values. Classes VI A and VI B followed the footsteps of Ruskin Bond, whose tales of nature and childhood resonate with warmth and nostalgia. R.K. Narayan, with his iconic fictional town of Malgudi and everyday characters, guided the narrators of Classes VII A and VII B. Classes VIII A and VIII B embraced the poetic and philosophical legacy of Rabindranath Tagore, infusing their stories with beauty, introspection, and grace.

The event was graced by the Principal ,whose inspiring words set a tone of encouragement and literary celebration. Joining her were Senior Coordinator, and Activity Coordinator Mr. L.M. Sharma, who lent their warm support and appreciation throughout the program.

Adding grace and credibility to the event was the esteemed judge—Mrs. S. Uniyal who evaluated the performances with keen insight and admiration for the students' storytelling artistry. After an intense and expressive series of performances, Class V A, VI A, VII A, and VIII A emerged as the proud winners. Their narration, voice modulation, creativity, and connection with the audience set them apart. With every word they spoke, they brought stories to life—leaving the judges and audience truly spellbound.

I.L.G.Mann Memorial Futsal Tournament 2025

The tournament was held from 1st August onwards and was a great success.

A total of 22 teams participated in this event. The matches were played on the Basketball court in 5-a-side format. In Futsal, players are not allowed to hit the ball above the waist, which makes the game more skillful and controlled.

The Chief Guest of the event Mr. Dharmender Kharola, was a player in the Indian team. He motivated the players and appreciated their sportsmanship.

After many exciting matches, Summer Valley School won the tournament and became the Champions. St. Jude's School secured the Runners-Up position.

Our respected Principal Mrs. Susan Mann congratulated all the teams and appreciated the efforts of the organizers and players.

The tournament was a wonderful event that promoted teamwork, discipline, and sporting spirit among students

Teachers' Day Celebrations 2025

The morning of 5th of September 2025 at Carman School, Dehradun, bloomed with heartfelt emotions as the students came together to celebrate the guiding lights of their lives — their teachers.

The programme opened with a soulful Classical Dance performance, followed by a lively Middle School Dance that set the stage abuzz. The DD Boys and the melodious Junior School Song drew loud cheers from the audience. Elegance took center stage with the delightful Modelling by the tiny Tots, and a heartfelt Speech by Manmeet Kaur expressed the true essence of gratitude.

The energy soared higher with dazzling performances like Desi Girls, Six Braincells, and the Senior School Choir, filling the hall with rhythm and melody. Groups such as Fantastic Seven and Bang Gang delivered electrifying performances that captivated every eye. Solo renditions by Ashmit and Anshika added a touch of musical brilliance, while the traditional Garhwali Dance painted the stage with vibrant culture and colour. The celebration concluded with a graceful Semi-Classical Dance, leaving an indelible impression on all.

Indeed, it was a day where gratitude met glamour — a perfect tribute to those who teach, guide, and inspire every heart that dares to dreams.

Puppet Show

On 25th September 2025, a puppet show was held in our school auditorium. Talented puppeteers performed with colourful puppets, presenting a fun and moral-filled story. The kids enjoyed every moment, laughing and clapping as the puppets danced and sang on the stage.

The show was entertaining and sparked imagination among the students. Everyone appreciated the creativity and efforts, making it a memorable event.

Fete

The fete this year was organized on 26th Sep., 2025. Like every year this year too there were many stalls of food, games and the much-loved Jam session.

Like always the ice cream stall was the first stall to sell out and was a favourite of the fete. This year we had 2 different flavours available. The Momos and Maggie stall were close behind to make the most money in the fete.

The little ones of class Nursery to class 1 were the first to be on the dance floor and started the fete with dancing their hearts out to popular Bollywood numbers.

Games like the Hoopla, Basketball and the ball and tumbler kept the students of the middle school busy and interested. Even the Bus samosa stall was enjoyed by the staff and students alike.

The last 10 mins saw the students of class XI and class XII dancing in the jam session for whatever coupons they had left. The entire fete was a huge success and everyone had a good time.

Children's Day Celebrations

This year on Children's' day i.e. 14th of Nov, the staff of Carman school, decided to do something different other than the usual Fete that we have every year, so they took to the stage!

With only a few days of practice the Staff was very nervous. They tried to keep it a surprise from the children and so they practiced after school hours and during their free periods. On the day ,itself, there was palatable excitement among the children. The programme started with a dance by Ms. Dolly, our dance teacher. Then we had a performance by the teachers of the Junior school, where the teachers came two by two and danced to all the old numbers. The children enjoyed their performance and clapped along with the songs. Then we had our music teacher, Mr. Yash on stage who sang a popular title track, Doremon, that everyone sang along. He got the children to wave their hands in the air along with the song.

After him we had the teachers of the middle school who danced to the toe tapping numbers of Govinda and lit the stage on fire with their thumkas!! Watching their teachers on stage dancing was fun for the students and they clapped to the beats of the songs.

In the end, the last performance was by the teachers of the senior wing. They performed a Kawwaali. This got the senior school children very excited. The teachers performed on the stage with the harmonium and the tabla.

After the wonderful performances by the teachers, there were a few races for class 12 students. The outgoing batch decided to have a sports day and took part in races like the 3 legged race, lemon and spoon race, cycle race, sack race and a mixed relay. It was fun and exciting to watch the seniors taking part in races meant for the junior classes.

It was a fitting finish to a wonderful day.

Staff Picnic

The staff picnic was organized on 14th of Feb 2024. It was decided that the staff would go for a picnic to Carbery Acres, Kunj grant and hopefully the weather would be sunny and bright.

The picnic started from school and the bus left at 9 am. Everyone in the bus was excited and each of us got a box of goodies to keep the hunger pangs away and us hydrated. When we reached the farm, we were welcomed with hot chai and yummy vegetable fritters.

After the hunger pang left we all got onto the tractor and went down to the river, singing and enjoying ourselves. At the river bed some of us relived our childhood days by flying kites while most of us got into the river till our knees and splashed around. Some even decided to take a plunge in the cool water.

After about an hour in the sun we took a stroll through the strawberry fields and picked some for ourselves. Once we got back, we were served snacks and we played a few games. The games got us all moving and excited and hungry again for lunch. But before we could have lunch a game of tambola was customary. Everyone enjoyed it so much that another round was called for.

After lunch we explored the farmhouse. There were cute guinea pigs, rabbits that we could pick up and pet. Some of us got on to the trampoline and had fun jumping. Some enjoyed the sea saw and the swings. Greg Sir had also organized a shooting range where we could try our hand at the rifle. This was very exciting. Even the rope and Burma bridge. After all this excitement at 4pm we left Carbery Acres with a lot of memories and yet another successful, fun filled Staff picnic done.

Celebrating National Days- Independence Day and Republic Day

Hoisting the Flag on Independence Day

Both the Independence Day as well as the Republic Day were celebrated in School by a solemn ceremony. The Tricolour is hoisted or unfurled as the occasion demands, by our Director, Mr. G. I.G. Mann. This is followed by the National Anthem by the whole school. On Independence Day, all the teachers were dressed in national dress in the three colours to celebrate the day and bring in the feeling of nationalism and togetherness.

On Republic Day the little ones from KG and Class 1 dressed up as Important National Leader and sang "Nanha Munna Rahi hoon", waving the Indian flag to the music. They instilled the feeling of oneness and made us proud to be a part of this amazing country. The Middle school choir also sang a patriotic song dressed in the tri colour slash and wrist bands.

The programme starts with a special prayer by the Principal, which is followed by speeches by the school captains. This year, Angela Howard and Ashwin Rana, spoke about the beauty, development, progress, future and amazing feats that our country has achieved in the last year. They spoke in both English and Hindi. The last item is always a speech by the Director after which the Principal distributes chocolates to all those who were present.
