The CARMANIAN

EDITION: 36 VOL.: I APRIL 2026 – AUGUST 2026

From the Principal's Desk

Dear Parents, Students and Well-wishers,

It gives me great pleasure to share with you another edition of our school newsletter – a glimpse into the many activities, achievements and memorable moments that have filled our school calendar.

At Carman, we believe that education extends far beyond class room. While academic excellence remains at the heart of all that we do, we are equally committed to providing our students with opportunities to discover their talents, develop confidence and grow into responsible and compassionate individuals.

The past few months have been particularly vibrant. Our students have enthusiastically participated in a wide range of academic, cultural, sporting and co-curricular activities.

Competitions, assemblies, celebrations sporting events, creative pursuits and various school programmes have provided them with opportunities to learn, perform, collaborate and most importantly enjoy the experience of being part of a thriving school community.

Every activity has a purpose. Whether a child is speaking on stage, competing in sports, participating in music and art, taking on a position of responsibility or working together with classmates, valuable lessons are being learnt- lessons in discipline, perseverance, team work, leadership and respect for others.

It is especially heartening to see the enthusiasm with which our students embrace these opportunities. Their achievements are a reflection of not only their own hard work but also of the dedication of our teachers, who continually encourage and guide them. I extend my sincere appreciation to our Staff for their commitment and to our parents for their continued faith, cooperation and support.

As you turn these pages, I hope you enjoy sharing in the energy, creativity and accomplishments of our students. Each photograph and account tells a small part of the larger story of Carman - a community that continues to learn, grow and move forward together.

With warm wishes for the forthcoming festival season,

S. Mann
